

Moon River Marine: COVID 19 Response - April 6, 2020

Partially Open / Limited Services / Preferably Contact Free

At Moon River Marine, our priority continues to be the health, safety and care of our customers and employees. As COVID-19 continues to spread and impact our daily lives we have implemented a number of policies and procedures to better protect all parties.

At this time, customers will not be allowed on the property unless they have **pre-arranged** arrival with the marina staff. Please DO NOT arrive without an appointment, as we are trying to limit physical interaction for everyone's health and safety. When you call we will discuss your unique situation and let you know what to expect upon arrival, including things like where to park at this time.

Prior to arrival, you must address the following: signing of your new mooring contract, 2020 parking pass acquisition and FULL payment of account; **no exceptions.** We are prepared to facilitate these items electronically, please email Krista at service@moonrivermarine.com and she will endeavour to make this process as easy as possible.

Available Services: Dockage & Storage, Parking, Mechanical, Parts, Gas & Propane
Closed until further notice: Store, LCBO, Boat Ramp, Day Parking

To remain in accordance with the recommendations and directives of municipal, provincial and federal governments these policies and procedures are subject to change without notice, we will however keep them as up to date as possible on our website, www.moonrivermarine.com.

We trust you appreciate the need for these temporary measures and we thank you in advance for your continued support and loyalty.

We hope you and your families are safe and well and look forward to a time when we can shake your hand and say hello, until then please remember, we are all in this together.

Best,
Chris
