8-9-21 8-28-21		MIKE PETERS	BROOKVILLE, PA. (COOKS FOREST)			FIRST 2 WEEKS & CLEANUP WEEKS - 3RD WEEK COUPLES WEEK / OPEN TO ALL WEEK / GREAT TIME		
8-9 to 8-28		Cheryl Peters	Brookville Pa.			It's great to be back! Very hot 3 weeks! lots of cleaning to get back up and running. Was lucky and happy to be part of the cleanup and couples week / open weeks. What an amazing group of people to be with and work with. All the people that were here for the startup and cleanup are amazing. Cannot believe how much work everyone was able to get done in so little time. Cleaning, sanitizing, cleaning after the beavers, and everything else. All the people that were in the startup are an amazing group of people. The fishing was great when we had the chance to go. I caught a 21" small mouth that ended up hooking me. I had to have Marty Otoole remove the hook from my thumb. I also caught several 20" smallmouths, 2 walleyes and 2 38" pike. Love this place!		
The people and members of this place are amazing and I'm so blessed to be a part of it!
